Activity "Name That Dinosaur" Introduction Dinosaurs are usually named after a particular character trait the dinosaur appeared to have based upon its skeleton They may also be named for the area in which it was first discovered or for a famous paleontologist The name is then converted into Greek or Latin terminology Scientists

Activity Three: The Mystery Fossil Bones Activity

Activity Three: The Mystery Fossil Bones Activity This was one of my favorites I often used this as a culminating activity for my Geo History Unit Students from 9th - 12th loved it And I'm sure middle school students would, too! I've seen it all over the Internet and had a copy 20 years ago so I have no idea

Dinosaur Footprints; Tracks & Traces

• The largest selection of Dinosaur Tracks is located on the lower level of the museum • When your students arrive at the museum, they will be given a brief greeting by a museum staff member • After this greeting is a good time for you to talk to your students and chaperones about the Dinosaur Footprints "Tracks and Traces" activity

Dinosaur National Monument This Dinosaur Junior Ranger ...

Dinosaur National Monument When your book is complete, have a ranger review it, recite the pledge and earn your badge: Use the list to write the meaning of each name under each dinosaur's picture Bonus activity: Can you find each of these dinosaurs in the mural at the Quarry Exhibit Hall?
